

Adults Sexual Assault Survivors' Support Group

Crisis of center of Southeast Texas

Join a safe, compassionate space for adults survivors of sexual assault to connect, share, and heal together. We offer a supportive environment where members can feel heard and understood, surrounded by others who have experienced similar struggles. Through shared stories, resources, and group activities, we aim to empower each survivor on their healing journey and remind them they are not alone. Our goal is to create a sense of community, strength, and hope for every participant.
